Welcome, Bienvenue!

Welcome to Petits Pandas Preschool!

We are a non-cooperative French immersion preschool located in École St. Gerard School in Saskatoon. In addition to the French Language, our preschool program offers a supportive environment that fosters social and emotional development, explores imagination, and introduces the students to the Kindergarten curriculum. Like other classrooms, we offer learning centers, crafts, games, physical education, and out of classroom learning opportunities.

Petits Pandas Preschool has the added benefit of introducing its students to the French language. Your child will become familiar with basic French words and be exposed to the larger French immersion community at École St. Gerard School, our host school.

We believe a positive preschool experience will provide a stable foundation for your child's education. If you have any questions or concerns, contact us at petitspandaspreschool@gmail.com.

Preschool Goals

The purpose of the preschool program is to promote the physical, intellectual, social, emotional, and cognitive growth of children ages 3 and 4. The preschool curriculum is planned with the following goals in mind:

- Introduce French vocabulary.
- Help the child recognize himself/herself as a valuable individual in their community through achievement and praise.
- Encourage socialization by cooperating, sharing, and being sensitive to others within our classroom, community and beyond.
- Give opportunities for language and speech development by encouraging the child to verbalize in structured activities.
- Encourage the child to express himself/herself in creative ways in the introduction of various materials and equipment.
- Develop enjoyment, appreciation, and interest in music, books and the environment.
- Develop fine and gross motor skills through indoor and outdoor exercise activity and manipulative table toy play
- Increase the child's awareness of the world in which he/she lives through interesting learning centres and field trips

Parent involvement and expectations

While Petits Pandas Preschool is a non-cooperative school, run by a volunteer parent board, we do require family involvement in order to keep tuition fees low, while maintaining a high level of educational programming.

Fundraising

Each family is required to participate in 3 fundraisers throughout the school year.

We also have an option for parents who do not want to participate in the fundraising activities. A family may choose to submit a \$240.00 cheque/e-transfer payment to the preschool at the beginning of the year and opt-out of the fundraising. If a family would like to opt-out on an individual fundraiser and decide throughout the school year, a \$80 payment may be made per fundraiser at that time.

Toy Washes

The toys in our school need to be washed and disinfected three times throughout the year. Each family is required to participate (at least one adult family member needs to be there) in one toy wash session, held for about two hours on the evening you choose to sign up for. If your family is not able to attend a toy wash session, a \$75 toy wash payment must be made.

Field Trips

Parents are invited to join the preschool for field trips. Each field trip will require a specific number of parent volunteers to help supervise the students, which will be at our teacher's discretion. All parent volunteers MUST have a Criminal Record Check provided to the preschool prior to volunteering. More information will be available ahead of each field trip.

Volunteer Parent Board

Petits Pandas Preschool is run ***solely*** by parents who volunteer their time annually. You are invited to contribute your time and skills to the board. If you are interested in volunteering, please let us know on your child's registration form. Meetings are held once per month. ***We need a minimum of 3 parent volunteers, President, Treasurer & Secretary to open the pre-school for the year.*** If we do not have the volunteers, the preschool is unable to open. **WE HAVE AN OPEN POSITION OF PRESIDENT & TREASURER AND NEED THESE POSITIONS FILLED TO OPERATE FOR THE 2023-2024 SCHOOL YEAR.**

Class Time

Parents are not required to help in the preschool during class hours but are welcome and appreciated at any time.
